OVERVIEW

Can Uzun (1991) is a Computer Engineering and Business Management student who is passionate about UI/UX Design, moreover highly organized and independent; able to effectively coordinate tasks to accomplish projects with timeliness and creativity.

He is the co-founder of the Binbirsey.com. Binbirsey.com is the easiest way to buy products from US to Turkey.

In addition, he worked IT Specialist position in many events.

In his field, he attended many hackathons in order to learn "How to become a team?" or "How you can lead a team?". And he succeeded in many of them as part of the team. For example, Google Startup Weekend 2nd Grade, Ecahack Eskişehir 1st Grade...

He code many Android Applications, some are working with the .Net API which one by coded him. He can also code MVC Web Applications.
